A Rundown of Events & Achievements

Bulletin No. 112025-11

FOREWORD

This edition of *Timeline...* arrives wrapped in the spirit of celebration and gratitude. The school journey until now has been a vibrant mosaic of learning, creativity, teamwork, and determination. Each member of the school community has added their own colour to this tapestry, making our journey meaningful and memorable. As we close 2025 and approach the festive break, may this newsletter serve as a cheerful reminder of all that we have accomplished and all that still awaits us...

Wishing everyone a new year filled with light, laughter, and the spirit of togetherness.

As we turn these pages, let us remember:

"For last year's words belong to last year's language,

And next year's words await another voice.

And to make an end is to make a beginning."

- T. S. Eliot

'I want to be a sailor',
the six-year-old declared.

'But aren't you scared;
of water?' Teacher asked.

'That's why I'll never let the
ship sink.'

Two men travelled the
world. One carried a
suitcase, the other,
a backpack.

The first man watched
the world; the second man
touched it.
