# FOREWORD

"Old and new make the warp and woof of every moment. There is no thread that is not a twist of these two strands."

~ Ralph Waldo Emerson.

The session 2023-24, like the pages of a book, unfolded its unique tales of triumphs and challenges. As this school year comes to a close, let's leaf through the activities in the final months. May this issue of *Timeline*... be a testament to our collective growth and may the upcoming academic year be filled with curiosity, exploration and resilience.

Here's to a promising new chapter!
