# FOREWORD

*Life is strong and fragile. It's a paradox... It's both things, like quantum physics. It's a particle and a wave at the same time. It all exists all together.*  
~ Joan Jett

We all are surrounded by paradoxes and such has been the cusp of session 2024-25 when we bid farewell to some of our members and also sent out warm reception to new people in the St. Anne's family.

This issue of *Timeline*...especially showcases the Valedictory and the Investiture Ceremony alongside warm up activities conducted for the Junior and Middle school students.

In July, the session comes full swing but before that we have with us our precious summer break. We must plan our break in a way that brings many rewards. The key to a successful vacation will be to prioritize rest, fun and work in equal measure. Spend time in the best possible way...

*Happy Vacation .....*
