A Rundown of Events & Achievements

Bulletin No. 112023-02

FOREWARD

Alongside the usual curricular and co-curricular events, the school calendar in the past months has also been full of intense sports activities. The field and the corridors were abuzz with jubilation of victories and analysis of setbacks. In the course of these events, the students could be seen pushing the limits, spending time building strength and learning the code of sportsmanship. Their participation hinted at good judgement, ability to fear nothing - neither failure nor disappointments, and at the end of it, it was all about faithfully finishing the race.

The culmination of these activities can be best summarised as:

“In the dust of defeat as well as the laurels of victory there is a glory to be found if one has done his best.”
